

Exeter City Council's refuse and recycling collections are being streamlined to provide a more efficient cost saving service.

This re-organisation means **MOST** households will have a **NEW COLLECTION DAY** for their refuse and recycling. The new scheme starts from the week beginning **Monday 20 September 2010**

Please remember to place your containers out for collection at the edge of your property by **6.00am** on the day of collection or after 6pm the night before.

Please note: All information is correct at time of going to print. However, there could be changes due to circumstances such as bad weather. If collections are suspended due to unforeseen reasons, they will resume as soon as possible. Please see www.exeter.gov.uk for up to date information.

Garden Waste Collections

Collection days for Garden waste will not change, unless they are on a Bank Holiday when they will be collected the following Saturday.

Please keep all recycling items loose, clean and dry in the bin. Smart Recyclers leave it loose in the bin!
